About Us

At The Helm Of Conservation and sustainability with the desire to leave the world same way we found it while travelling responsibly, is one of our core values at Gorilla Walking Safaris.

Since 2009 we have been at the forefront of making the world a better place when we travel, we would like to continue practicing sustainability and responsible travel through educational programs to the young generations creating positive minds because we know the power of travel can absolutely change lives.

In a world of Creativity, we outmatch Authentic Uganda Luxury Safaris where our travel experts pour artistry

into every East African safari including the famous mountain Gorilla trekking. And when you stick with us, we'll astonish

you at every turn with socially meaningful and life changing journeys.

Our Humble Beginning

Having worked as a professional primates and wildlife Tour Guide, Our Founder and Director Alex Guma Tibanyendera envisioned a different way of travel. “Without involving the communities around the beautiful places our guests are blessed to visit, there would never be tourism, and i feel fortunate to call Uganda home” He states.

This humble beginning has seen us to-date starting the construction of our very first and family owned 2 Luxury safari Lodges/Camps in Kidepo Valley National Park and Queen Elizabeth National Parks. These are expected to be in full operation 3 years from now.

Our Aim is to keep fronting conservation and sustainability practices while leaving a positive impact, be felt and be appreciated for the work to the community, Let every traveler be a change to every destination they visit while travelling with us. This makes the

world a better place and this truly defines us, our core values and who we really are and want to be. So you can see that travelling with us is travelling with a Family with many years of expertise and conservational oriented travelers.

Responsible Travel

Each of our well-crafted trips facilitate travelers to combine adventure safari with an inspiring authentic local encounters while sustaining, conserving and protecting the destinations they visit.

Over the Years we have expertly crafted trips in Uganda and East Africa designed with a “never sacrificing of safety or comfort” niche while keeping in mind sustainable travel practices through our philanthropy projects. So that when you travel with us, You Can be rest assured that your travel impacts positively the wellbeing of communities and saves the wildlife you visit there.

We continuously believe that Conservation travel has a great positive impact on protecting the environment and promoting the welfare of local communities. Our conservation initiatives inspire our guests who when travel and visit these initiatives come to know it benefits communities,

safeguards wildlife you want to see and preserves cultural heritage.

Our strategic plan is to make sure the trip journeys we run beat expectations of our travelers while also providing a positive economic, cultural and environmental impact on the

communities and destinations we are so fortunate to visit. This directly means making smart financial decisions during trip planning level so that you can enjoy your trip knowing more of your travel dollar positively impacts the communities and wildlife.

Destinations

Uganda

Uganda a land of wild and vibrant contrasts, eye sight grasslands, tropical plains with hills, and the mighty Mountain Gorillas. The landlocked small but beautiful Uganda is a wildlife safari destination with over 52 indigenous tribes and the most welcoming men and women.

Uganda is home to variety and dramatic contrasts, from thick rain forests, rift valleys wildlife filled destinations, Mountains, lakes and wondering rivers, savannah plains, bird species, extraordinarily stunning in lush green rolling hills excellent gorilla tours. With numerous national parks and reserves, Uganda is absolutely a natural choice for wildlife enthusiasts, blending unspoiled countryside, rural communities with complete lifestyle and traditions. If its nature and authenticity you're looking for, Uganda - The Pearl of Africa is the right place.

Rwanda

Arguably known as the “country of a thousand hills” shines with stunning greenery, Rwanda gorillas, twin and deep lakes, soaring mountains and absolutely the greatest natural treasure of all – Part of the world's mountain gorilla's population lives in the famous Virunga Mountains. Discover and travel into the heart of a thousand hills or endless spectacular landscapes and great culture, pause in the virunga mountains and see these incredible, endangered great apes Rwanda gorillas from an up-close and personal encounter.

Rwanda as a fast-developing country has branded its self as the cleanest city and a luxury destination. Rwanda also hosts the vibrant to visit Akagera National Park where nature for the wild is spectacular and able to see part of the big 5 with so many other wildlife species including the beautiful standing Giraffes in Akagera national Park.

The eastern part of Rwanda prides its self with one of the oldest rain-forest in Africa harbouring a great number of chimpanzees, a forest where you can do canopy walks next to the beautiful stunning Lake Kivu bordering the Congo. While the Northern province with the Chain of the Virunga volcanoes is home to the endangered Mountain Gorillas and the famous Dian Fossey caves.

Tanzania

Tanzania is the land of safaris: Tanzania safaris include the vast Serengeti National Park, the fascinating Ngorongoro Crater and the wildlife rich Tarangire National Park and never rules out the diverse cultural encounters like the the Hadzabe people, the last bushmen in Africa to the proud Maasai warriors and also each day slumbering in Africa's best lodges & Mobile Tented Camps perfectly selected and Tailor made to fit your tastes crafted by our professional experts.

Embark on an authentic Tanzania safari and pause in the famous Ngorongoro Crater, or maybe spectate to the first rays of the morning Golden sun beams reflecting and clearing Mount Kilimanjaro. Remarkably are the sights and sounds of the wildlife-filled and famous Serengeti that signal the bright beginning of a spectacular day. Traveling with us Through Tanzania leaves no trails untouched and absolutely features the continent's finest and expertly professional local guides, who share countless wonders.

We pride in our passion & Teamwork doing our best to demonstrate that you are in capable hands through these beautiful lands experiencing the extraordinary.

Kenya

From the wide grasslands of the Kenya masai mara to the majestic wildlife that roams within it and with No doubt Kenya's biggest attraction is the natural and majestic movement of huge herds of wildebeests, zebras and gazelle in search for sweet grasses in an annual Trek twice a year famously called the Great Migration. witness the life and death struggles in the Mara River crossings or dramatic encounters with Africa's top predators taking advantage of the huge herds to grab their meal.

Kenya is the land of variety, everywhere you go is extraordinarily different including tribes elegant in their fine outfits. venture deep into the Kenya masai mara, a reserve that contains the country's highest concentration of big game, including iconic creatures such as lion, wildebeest and elephants. The untouched culture here is a real highlight however areas such as the Masai Mara, combined with the North are different and it feels like you've been in two different countries. The Great Rift Valley also passes through Kenya Masai mara and the lakes can provide a relaxing change to your safari.

Our Safari experts at Gorilla walking Safaris put together some packages to guide you making fundamental decisions for a perfect inspirational journey but we are able to take an extra mile and put together for you an itinerary designed and fashioned just for you.

Primate Trekking

There's absolutely no mistaking the bond that exists between man and a Mountain Gorilla, the great apes in Bwindi or the Virungas. The Gorillas are the world great apes and only half of these remaining gentle giants are found only in Uganda.

It is estimated that about and only 1070 of these mountain Gorillas are left in the world while they live in the most extreme harsh environment with two populations found in protected areas of central eastern Virunga ranges along the chain of the Virunga Volcanoes and the 331 sq.km protected Bwindi impenetrable rainforest national park.

Mountain Gorillas can be seen in Bwindi impenetrable national Park and Mgahinga national park Uganda, in Volcanoes national Park in Rwanda and democratic republic of Congo.

At First sight it will seem like black kind of round "Things" and when you get closer it will be the gentle giants, The Mountain Gorillas: Black fur with Colorful eyes, turn looking at you and go on with their daily activity for the rest of 1 hour magical experience. We Are able to organize permits and all logistics for the ultimate Once in A lifetime Experience.
